GRAM AWAS SAHAYATA YOJANA (GASY)

Operational Guidelines, 2026-27

1. Short title, commencement and outlay

1.1 These guidelines may be called the Gram Awas Sahayata Yojana Guidelines, 2026-27. The scheme comes into force on 1 April 2026 and covers all Gram Panchayats of the State of Tarapur.

1.2 The scheme gives financial assistance to rural families to build a pucca house.

1.3 The outlay for the financial year 2026-27 is Rs 650 crore. The target is the construction of 40,000 houses during the year.

2. Eligibility

2.1 A family is eligible for assistance if it satisfies all of the following conditions:

(a) the family does not own a pucca house anywhere in India;

(b) the family has been a resident of the same Gram Panchayat for at least 7 years;

(c) the annual income of the family from all sources does not exceed Rs 2,00,000;

(d) the family does not own a mechanised four-wheeler or a mechanised fishing boat; and

(e) the family has a plot of land on which the house can be built.

2.2 When the number of eligible families is larger than the target of the Gram Panchayat, families are selected in the following order of priority: first, widows and destitute women; second, persons with a disability; third, Scheduled Caste and Scheduled Tribe families; fourth, all other families.

3. Amount of assistance

3.1 The assistance depends on the area in which the house is built, as shown in the table below.

Area	Assistance for the house
Plain blocks	Rs 1,50,000
Hill blocks (Dhanora, Kesarpur and Mandli)	Rs 1,70,000

3.2 In addition to the assistance in clause 3.1, a family receives Rs 12,000 for the construction of a toilet and 90 days of wage employment at the State rural employment wage rate.

3.3 The house must be registered in the joint names of the husband and wife, or in the name of the woman alone.

4. Instalments and construction

4.1 The assistance is paid in three instalments: 30 percent on sanction, 50 percent when the house reaches lintel level, and 20 percent on completion. In a plain block these instalments are Rs 45,000, Rs 75,000 and Rs 30,000.

4.2 A geo-tagged photograph of the house must be uploaded by the Panchayat Secretary at each stage before the next instalment is released.

4.3 The house must have a minimum plinth area of 25 square metres.

4.4 The house must be completed within 12 months of the first instalment. The District Collector may extend this period by up to 6 months for reasons recorded in writing.

5. Selection of beneficiaries

5.1 The Gram Sabha prepares a priority list of beneficiaries in its meeting held in the second week of January every year.

5.2 The BDO verifies the list within 30 days. The list is then displayed on the notice board of the Gram Panchayat for 15 days for objections.

5.3 The District Collector sanctions the houses after the objections have been decided.

6. Recovery

6.1 If the house is not completed within the permitted time, the instalments paid are recovered with interest at 10 percent per year.

7. Grievance and appeal

7.1 A grievance against a decision may be made to the Project Director of the District Rural Development Agency within 30 days of the decision.

7.2 An appeal against the decision of the Project Director lies with the Commissioner of Rural Development and must be made within 60 days.

8. Special provisions

8.1 A family whose house has been destroyed in a flood, fire or earthquake notified by the State Government is given priority over all other families in the Gram Panchayat, and does not have to wait for the January meeting of the Gram Sabha.

8.2 A family that lives on forest land and holds a right recognised under the Forest Rights Act may receive assistance on that land.

8.3 A family that already receives the pension under the Vriddha Jan Pension Yojana is not barred from this scheme.

9. Worked examples

9.1 A family in the Dhanora hill block is sanctioned a house. The assistance is Rs 1,70,000, and the family also receives Rs 12,000 for the toilet and 90 days of wage employment.

9.2 A family in a plain block builds a house up to the lintel level. By then it has received Rs 45,000 and Rs 75,000, a total of Rs 1,20,000. The balance of Rs 30,000 is paid on completion.

10. Time limits at a glance

Step	Authority	Time limit
Priority list	Gram Sabha	Second week of January
Verification of the list	BDO	30 days
Objections to the list	Notice board	15 days
Completion of the house	Beneficiary	12 months from first instalment
Extension	District Collector	Up to 6 months
Grievance	Project Director, DRDA	30 days from decision
