KRISHAK AAY SAHAYATA YOJANA (KASY)

Operational Guidelines, 2026-27

1. Short title, commencement and outlay

1.1 These guidelines may be called the Krishak Aay Sahayata Yojana Guidelines, 2026-27. The scheme comes into force on 1 April 2026 and applies to all rural and semi-urban areas of the State of Tarapur.

1.2 The scheme gives direct income support to small and marginal farming families, so that they can meet the cost of seed, fertiliser and other inputs without borrowing at high rates of interest.

1.3 The outlay for the financial year 2026-27 is Rs 480 crore, of which Rs 30 crore is kept aside for administration and for the verification of applications.

2. Definitions

2.1 "Farming family" means a husband, a wife and their unmarried children below 18 years of age. Where a farming family has more than one operational holding, the holdings are added together.

2.2 "Operational holding" means land that the family actually cultivates, whether it is owned by the family or taken on a registered tenancy.

2.3 "Cultivating tenant" means a person who cultivates land belonging to another person under a tenancy agreement registered with the Sub-Registrar.

2.4 "Patwari" means the revenue official of the circle who maintains the land records. "BDO" means the Block Development Officer. "JSK" means the Jan Seva Kendra of the block.

3. Eligibility

3.1 A farming family is eligible for the benefit if it satisfies all of the following conditions:

(a) a member of the family has been a resident of Tarapur for at least 5 continuous years;

(b) the total operational holding of the family does not exceed 5 hectares;

(c) the annual income of the family from all sources does not exceed Rs 2,50,000; and

(d) the applicant holds a bank account that is seeded with the Aadhaar number.

3.2 Only one benefit is payable to a farming family in a financial year, irrespective of the number of members of the family who cultivate the land.

3.3 The following are not eligible under the scheme:

(a) a family in which any member paid income tax in the previous assessment year;

(b) serving or retired government employees, other than multi-tasking (Group D) staff;

(c) a person who draws a pension under any State pension scheme;

(d) institutional landholders such as trusts, companies and cooperative societies; and

(e) holders of constitutional posts, past or present.

4. Benefit

4.1 An eligible farming family receives Rs 9,000 per year, paid in three equal instalments of Rs 3,000 by direct transfer to the Aadhaar-seeded bank account of the beneficiary.

4.2 The instalments are released as shown in the table below.

Instalment	Amount	Period covered	Released by
First	Rs 3,000	April to July	15 June
Second	Rs 3,000	August to November	15 October
Third	Rs 3,000	December to March	15 February

4.3 A cultivating tenant who holds a registered tenancy agreement receives 60 percent of the amount in clause 4.1, that is Rs 5,400 per year or Rs 1,800 per instalment. The tenancy agreement must be valid on the date of application.

4.4 If land is sold or transferred during the year, the instalments already paid are not recovered, but no further instalment is released to the seller of the land.

4.5 The amount paid under the scheme cannot be attached by any bank towards the recovery of a loan.

5. Documents required

5.1 The applicant must submit the following documents with the application:

(a) Aadhaar card of the applicant;

(b) Khasra-Khatauni extract of the land, not older than 6 months;

(c) bank passbook showing an Aadhaar-seeded account;

(d) income certificate issued by the Tehsildar, except for families that appear in the Antyodaya list;

(e) the registered tenancy agreement, in the case of cultivating tenants; and

(f) one passport size photograph.

6. Application and verification

6.1 Applications may be submitted at any JSK or on the State portal. The application window opens on 1 April and closes on 30 June every year.

6.2 A late application may be accepted up to 31 July, but only if the applicant records the reason for the delay in writing and the BDO approves it.

6.3 The Patwari verifies the land details and visits the field within 14 days of the application.

6.4 The BDO approves or rejects the application within 21 days of receiving it. A rejected applicant is informed in writing, with the reason for the rejection.

6.5 An approved beneficiary is enrolled in the payment cycle that begins after approval. An applicant who is approved after 15 June receives the first instalment together with the second instalment.

7. Grievance and appeal

7.1 A grievance against a decision may be made to the District Agriculture Officer within 30 days of the decision.

7.2 An appeal against the decision of the District Agriculture Officer lies with the Divisional Commissioner and must be made within 60 days.

7.3 The helpline number of the department is displayed on the scheme portal.

8. False declaration and recovery

8.1 If a family has given false information, the amount it has received is recovered with interest at 12 percent per year, and the family is barred from the scheme for 3 years.

8.2 An official who certifies false information is liable to disciplinary action under the service rules.

9. Monitoring

9.1 The District Level Monitoring Committee, chaired by the District Collector, reviews the progress of payments every quarter and sends a report to the Department of Agriculture and Farmers' Welfare.

9.2 The Department may carry out a social audit of the scheme in any block. The findings of the social audit are placed before the Gram Sabha of the villages concerned.

10. Special provisions

10.1 In a block declared flood-affected or drought-affected by the State Government, the application window under clause 6.1 is extended by 30 days, to 30 July. Applications received in this extended period do not need the written reason or the approval of the BDO under clause 6.2.

10.2 If a bank transfer fails because the name or the account number does not match the records, the BDO corrects the details and starts the transfer again within 15 days.

10.3 If a beneficiary dies during the year, the surviving spouse may apply within 60 days for the benefit to continue for the family. The instalments already paid are not recovered.

10.4 Where two or more brothers cultivate land jointly and live under one roof, they are treated as one farming family.

11. Worked examples

11.1 A farmer owns 3 hectares and cultivates a further 2.5 hectares on registered tenancy. The total operational holding is 5.5 hectares, which is more than 5 hectares, and the family is therefore not eligible.

11.2 A cultivating tenant who holds 4 hectares on a registered tenancy and has an annual family income of Rs 2,00,000 is eligible, and receives Rs 1,800 in each instalment.

11.3 A family whose income is Rs 2,60,000 is not eligible, even if its holding is below 5 hectares.

12. Time limits at a glance
